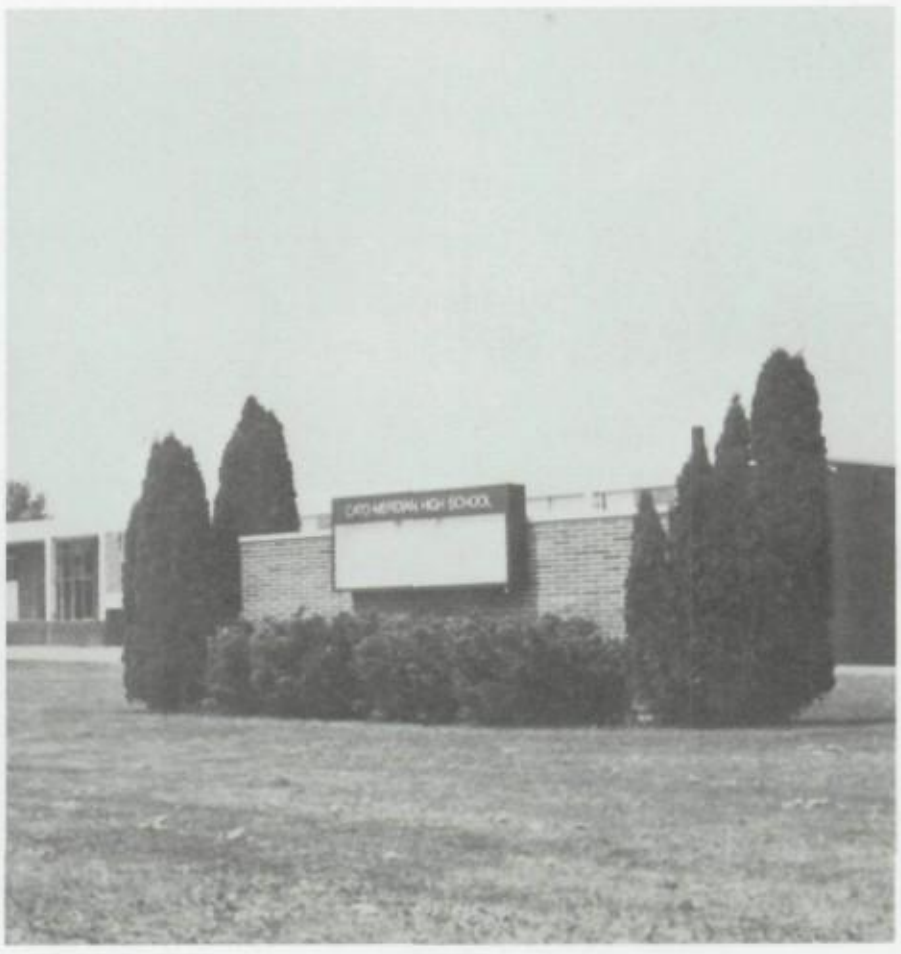
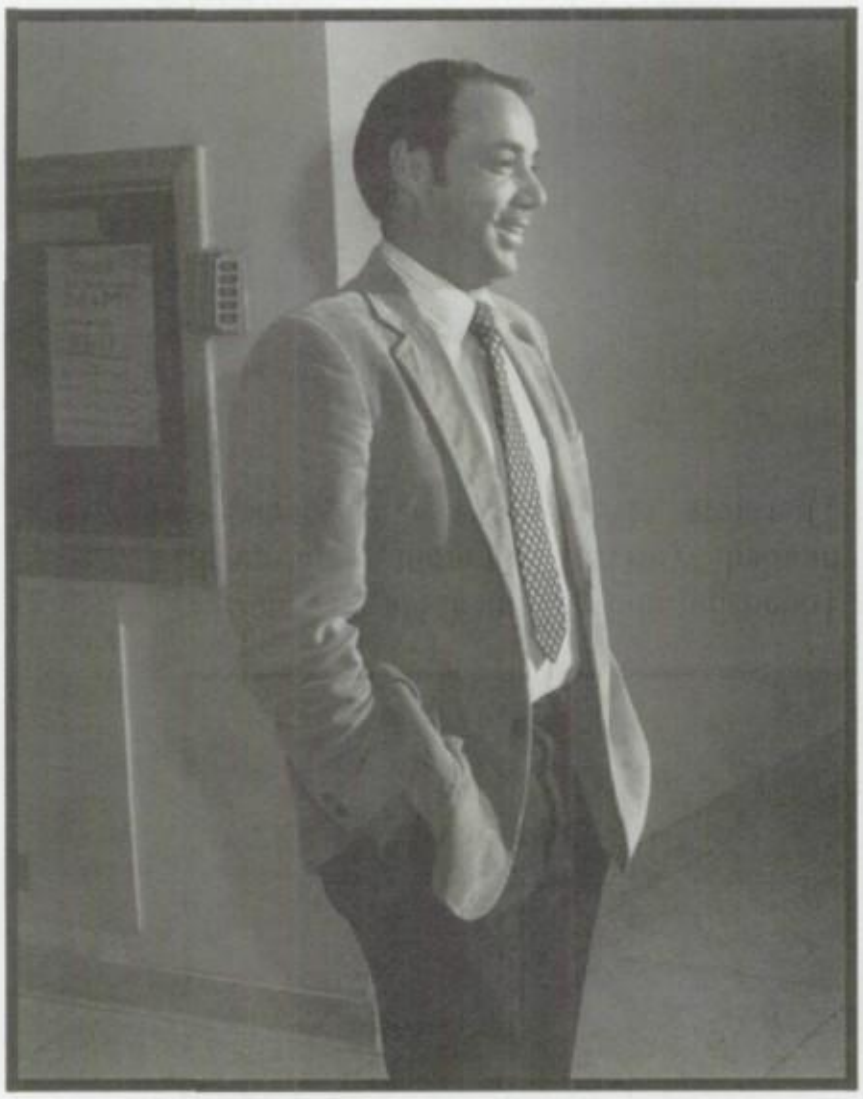
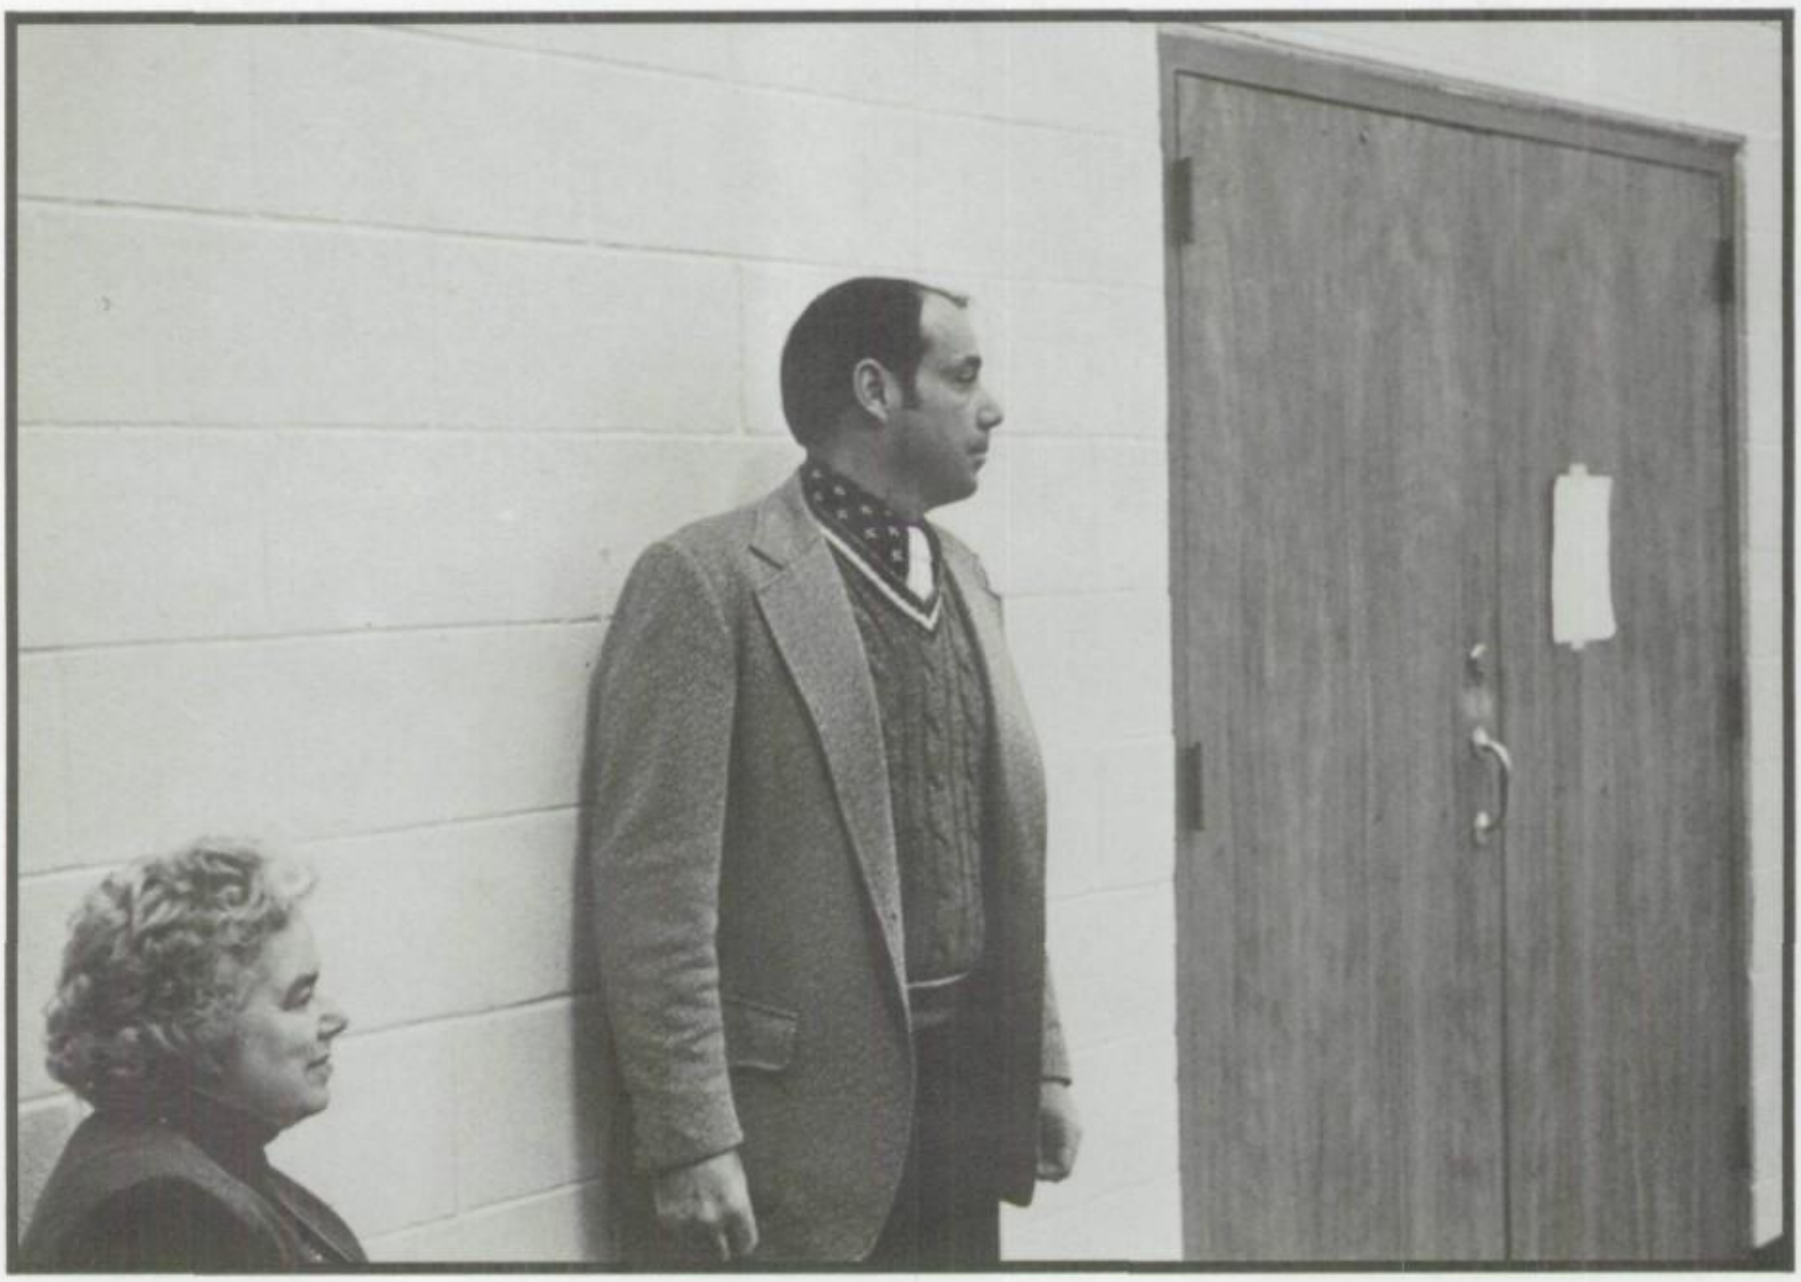
There's no place like this place

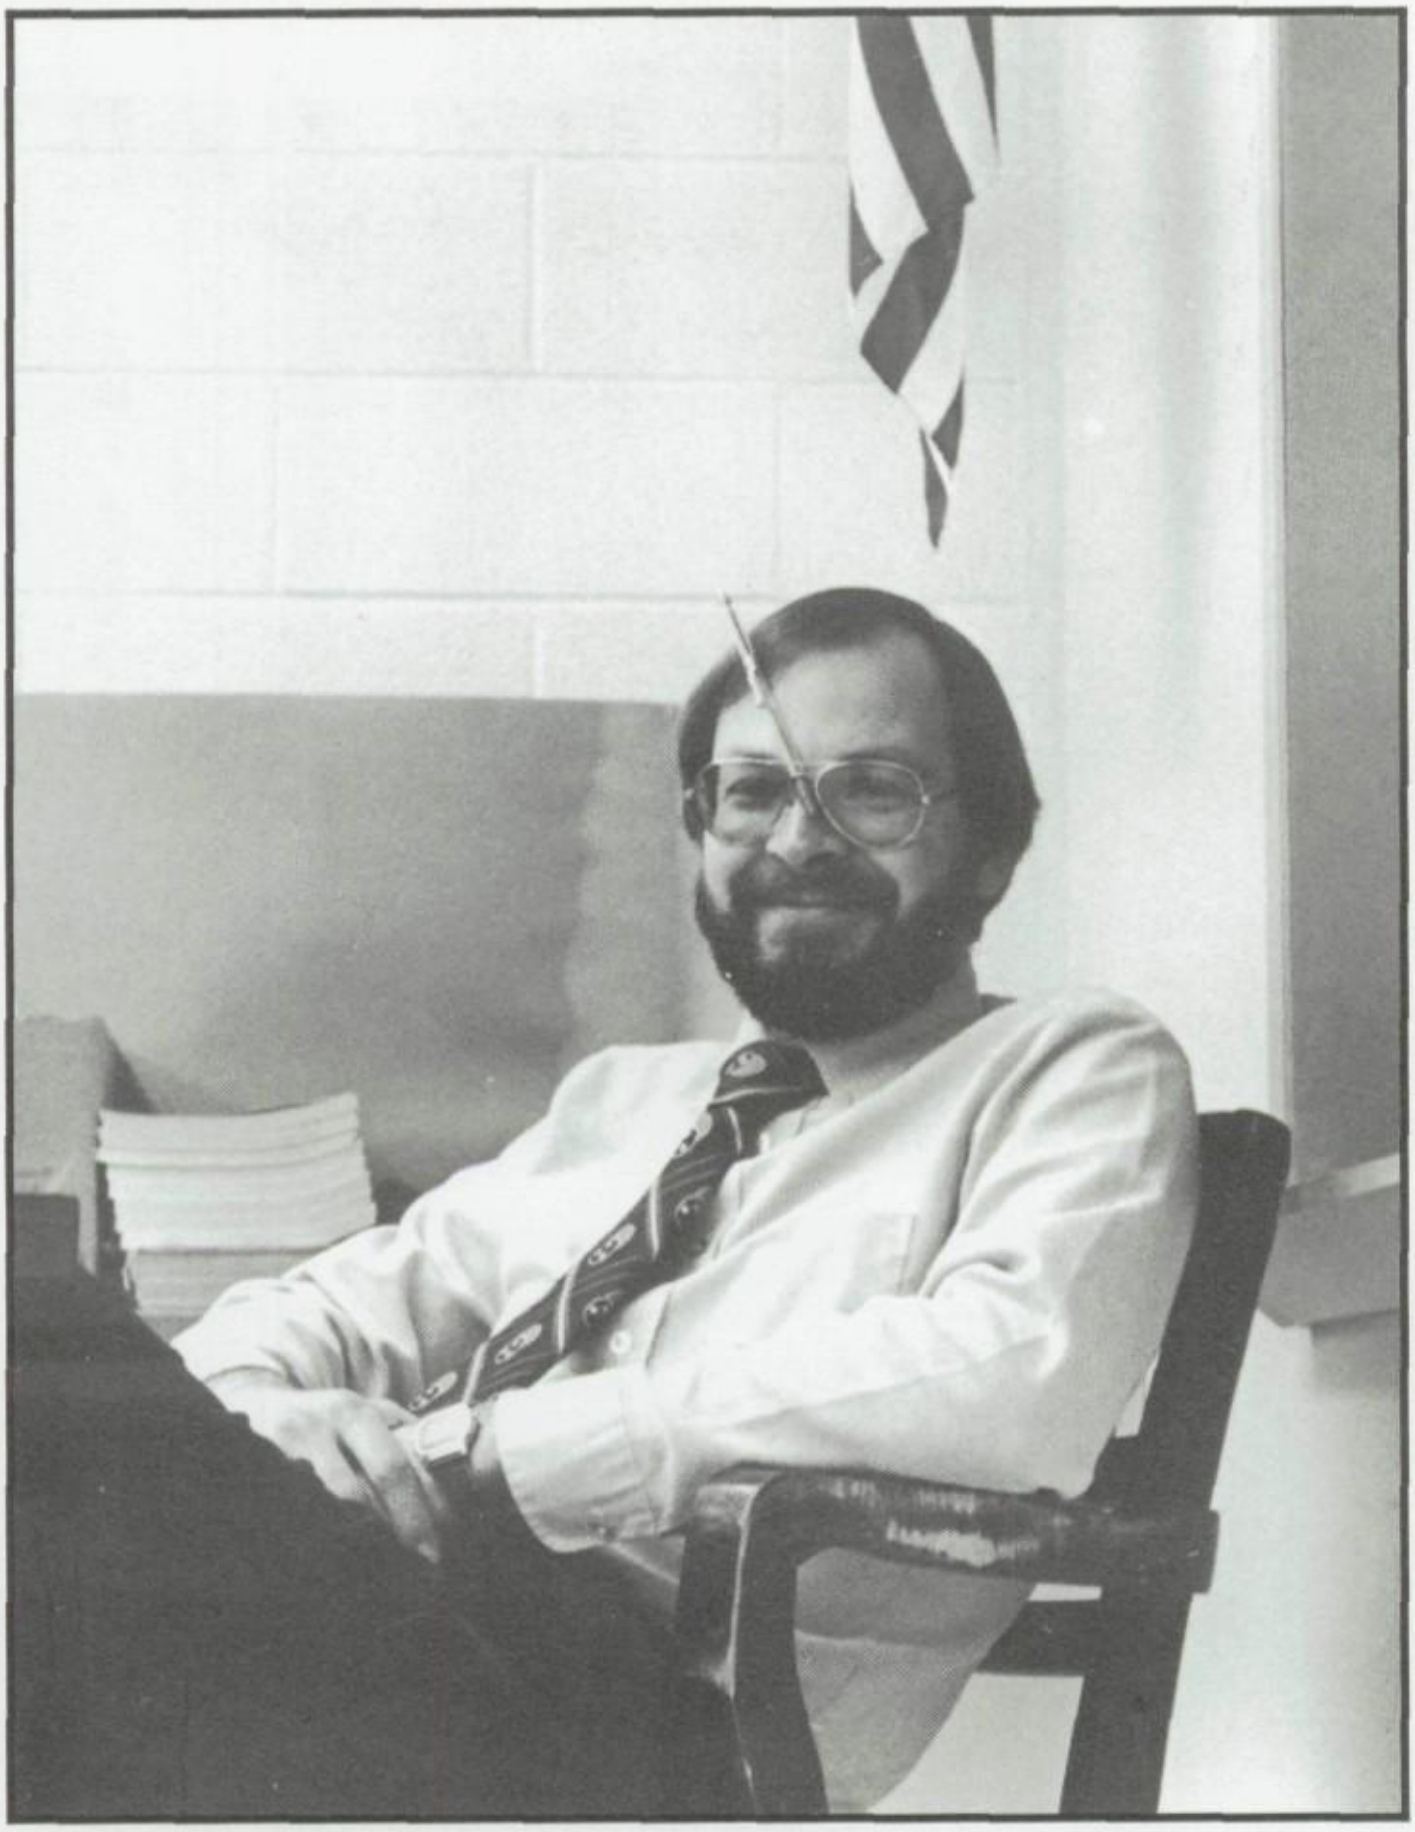


So this must be the place!





Dedication



He is someone that we could depend on for friendship and guidance. He was always ready to lend an ear and give us the advice we needed. With his quiet manner and quick wit he could easily brighten our gloomy days. Therefore, Mr. Obernesser, we dedicate this yearbook to you.

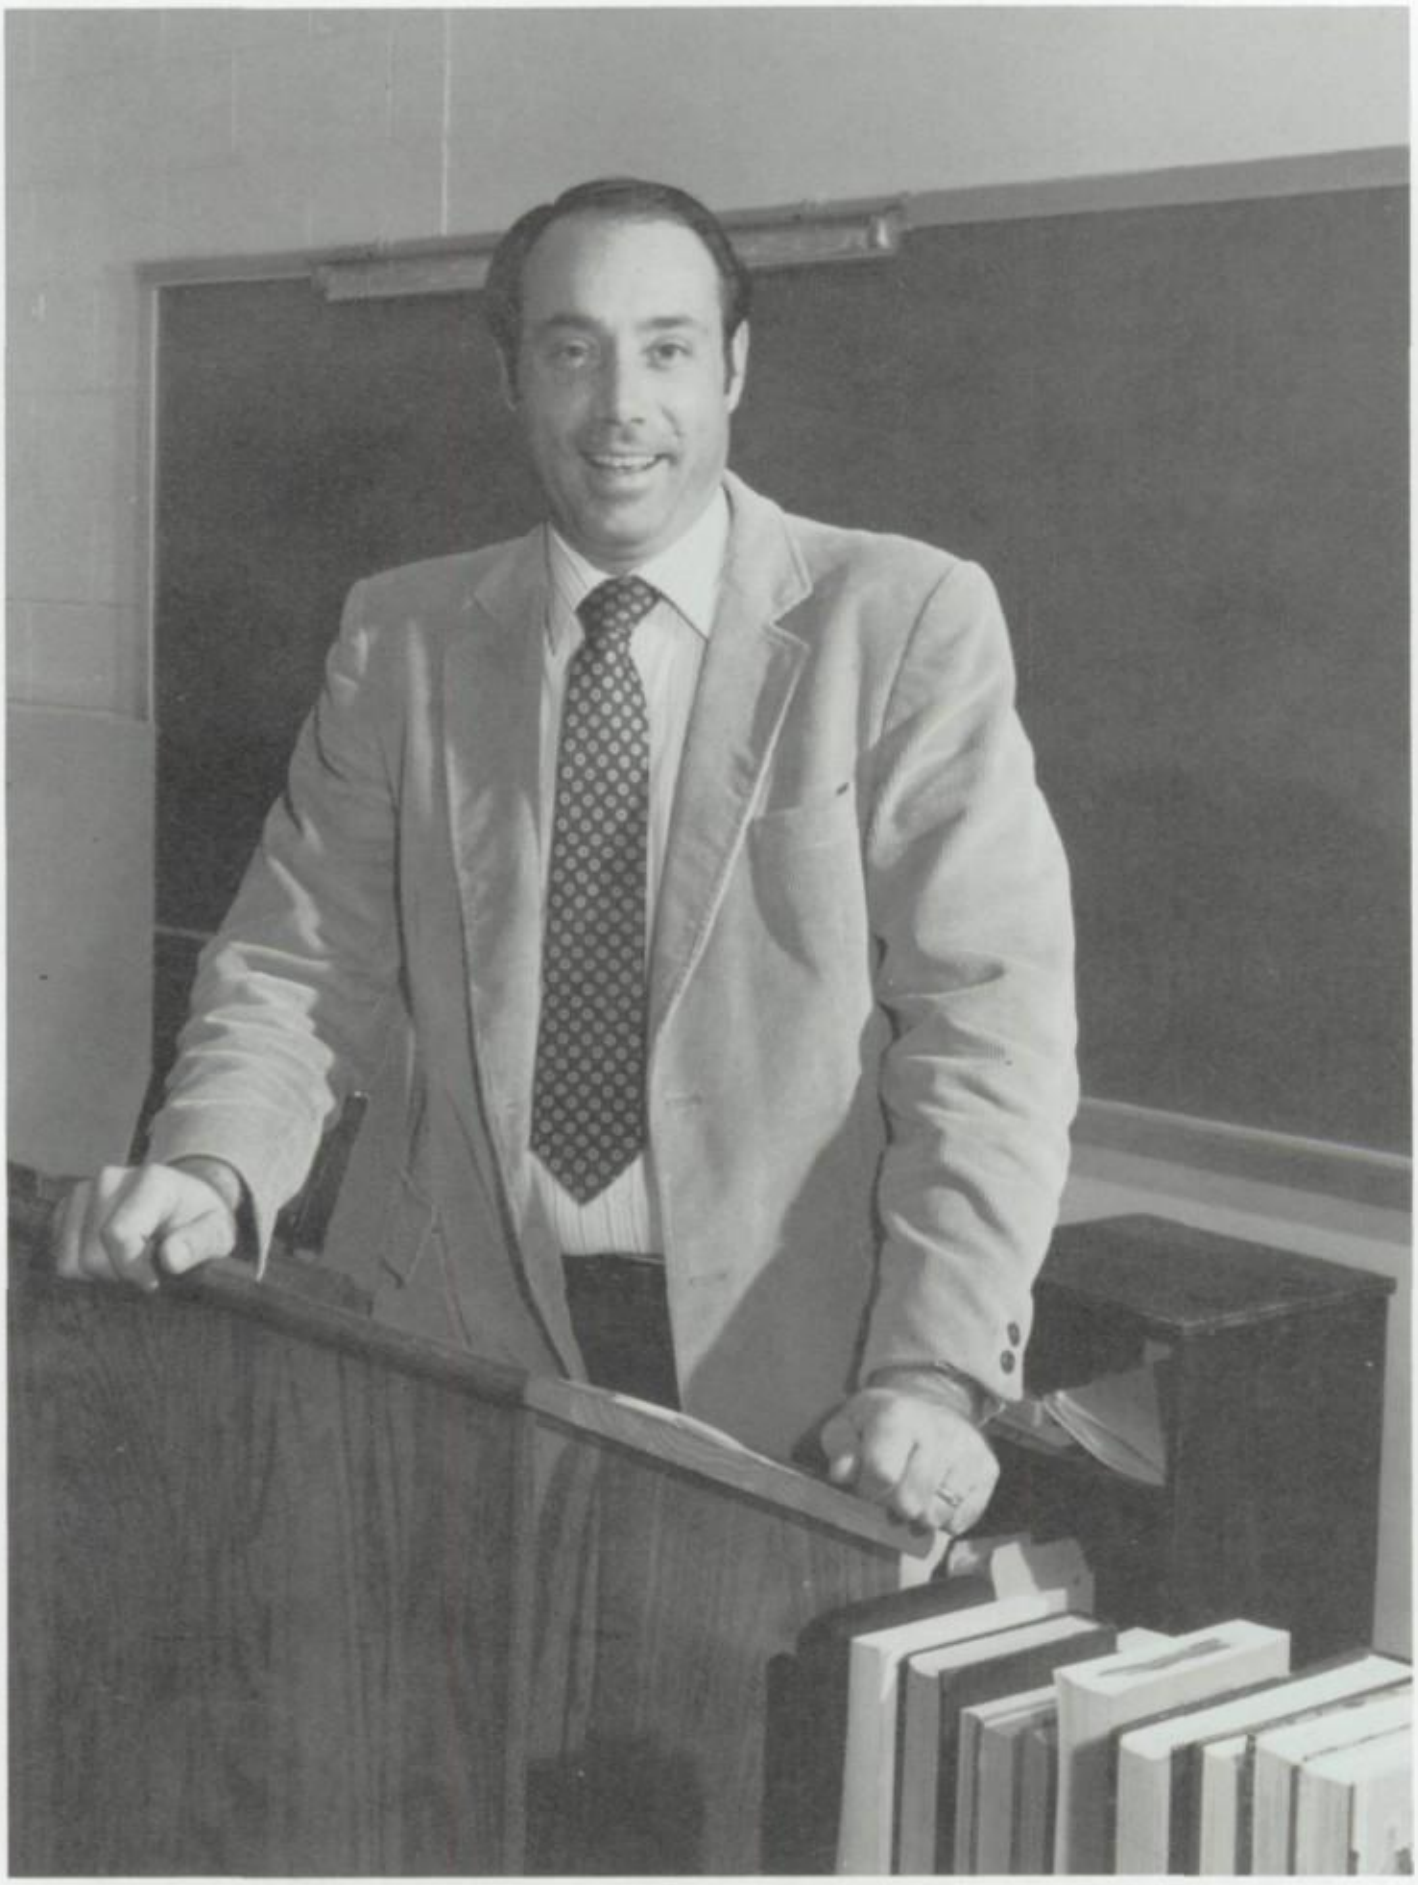
Dedication



At first he frightened us with his booming voice and sharp looks. But, after we got to know him, and he us, we came to trust and admire him. He was always there to help us with our causes and problems. Mr. Cancro, the class of 1984 wishes to dedicate this yearbook to you.
